

The IBM logo is displayed in white on a blue rectangular background in the top left corner.

# THE CHUCK NORRIS SOLUTION

The IT guys need backup.

Not only for the data they manage but many times for themselves.

In order to promote the IBM Storage Manager as the ultimate data backup solution, we decided to provide them with the ultimate backup. In person.

We decided to give them Chuck.

The mechanics is simple - **whoever enters his company data on [www.theincrediblebackup.com](http://www.theincrediblebackup.com) may win a full week with Chuck Norris in the office. One week with Chuck to back them up.**

And Chuck Norris can edit PDF files.  
Everybody knows that.
